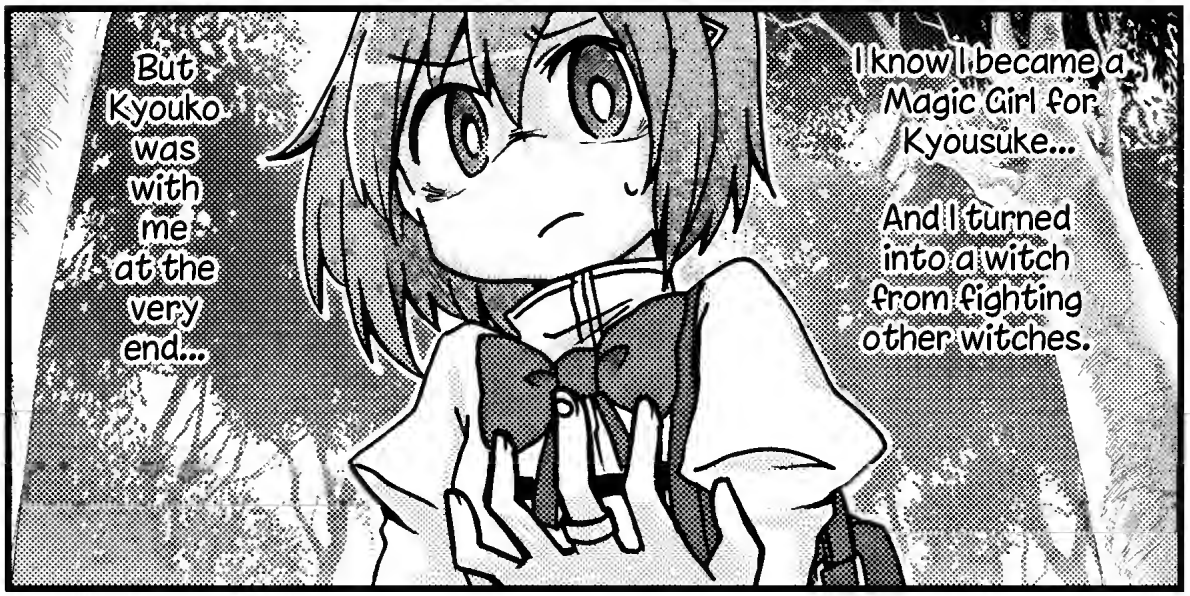
Sakura Kyoko & Miki Sayaka

I'm always with you...

2014.1.26 DumP Presents

Your memories are being over-written, are they not?
You'll forget everything that has to do with the Law of Cycles from the original world.
Every last bit of it.
Just how long it will take
for you to forget everything.
But I wonder...

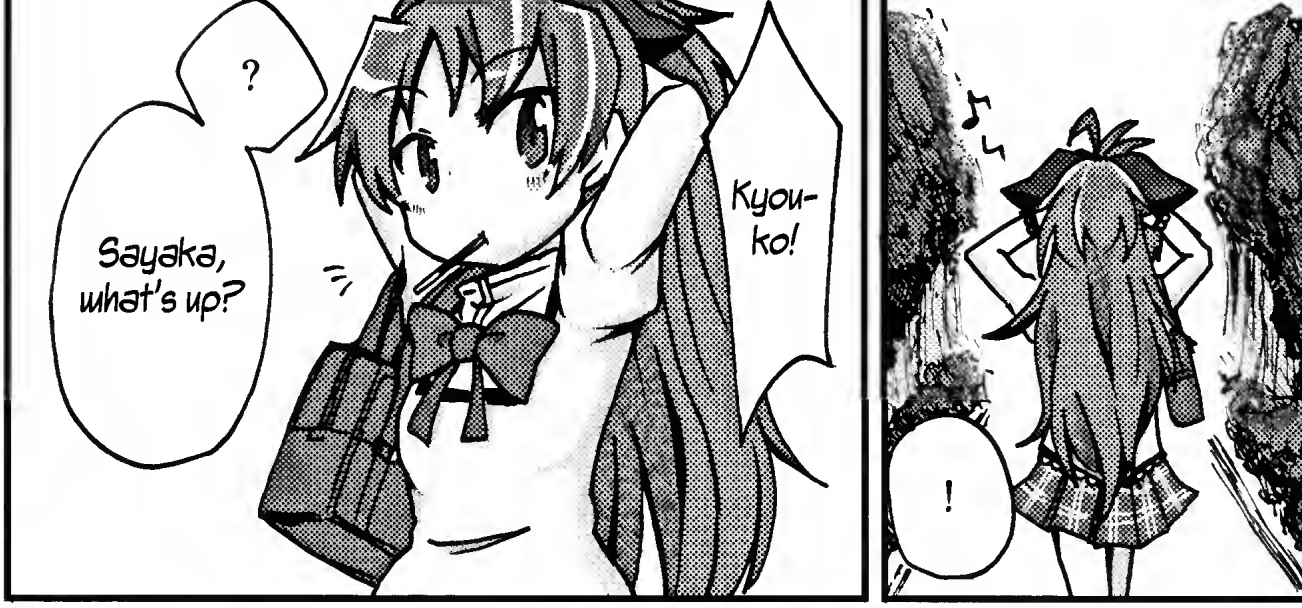
I can't remember anymore.
How much of that was a lie, and how much was true?



But Kyouko was with me at the very end...
I know I became a Magic Girl for Kyousuke...
And I turned into a witch from fighting other witches.

It's all slipping away.
I can't do anything to stop it.
But..
There's still something I really have to do.
I hate this, I can't stand it.
I don't want to forget the girl that is so precious to me.

Always trying to help me.
"Thank you"
I need to tell her that.
She was always there for me.
I need to tell her
one and only regret...
about my



Kyou-ko!
?
Sayaka, what's up?
♪♪♪
!

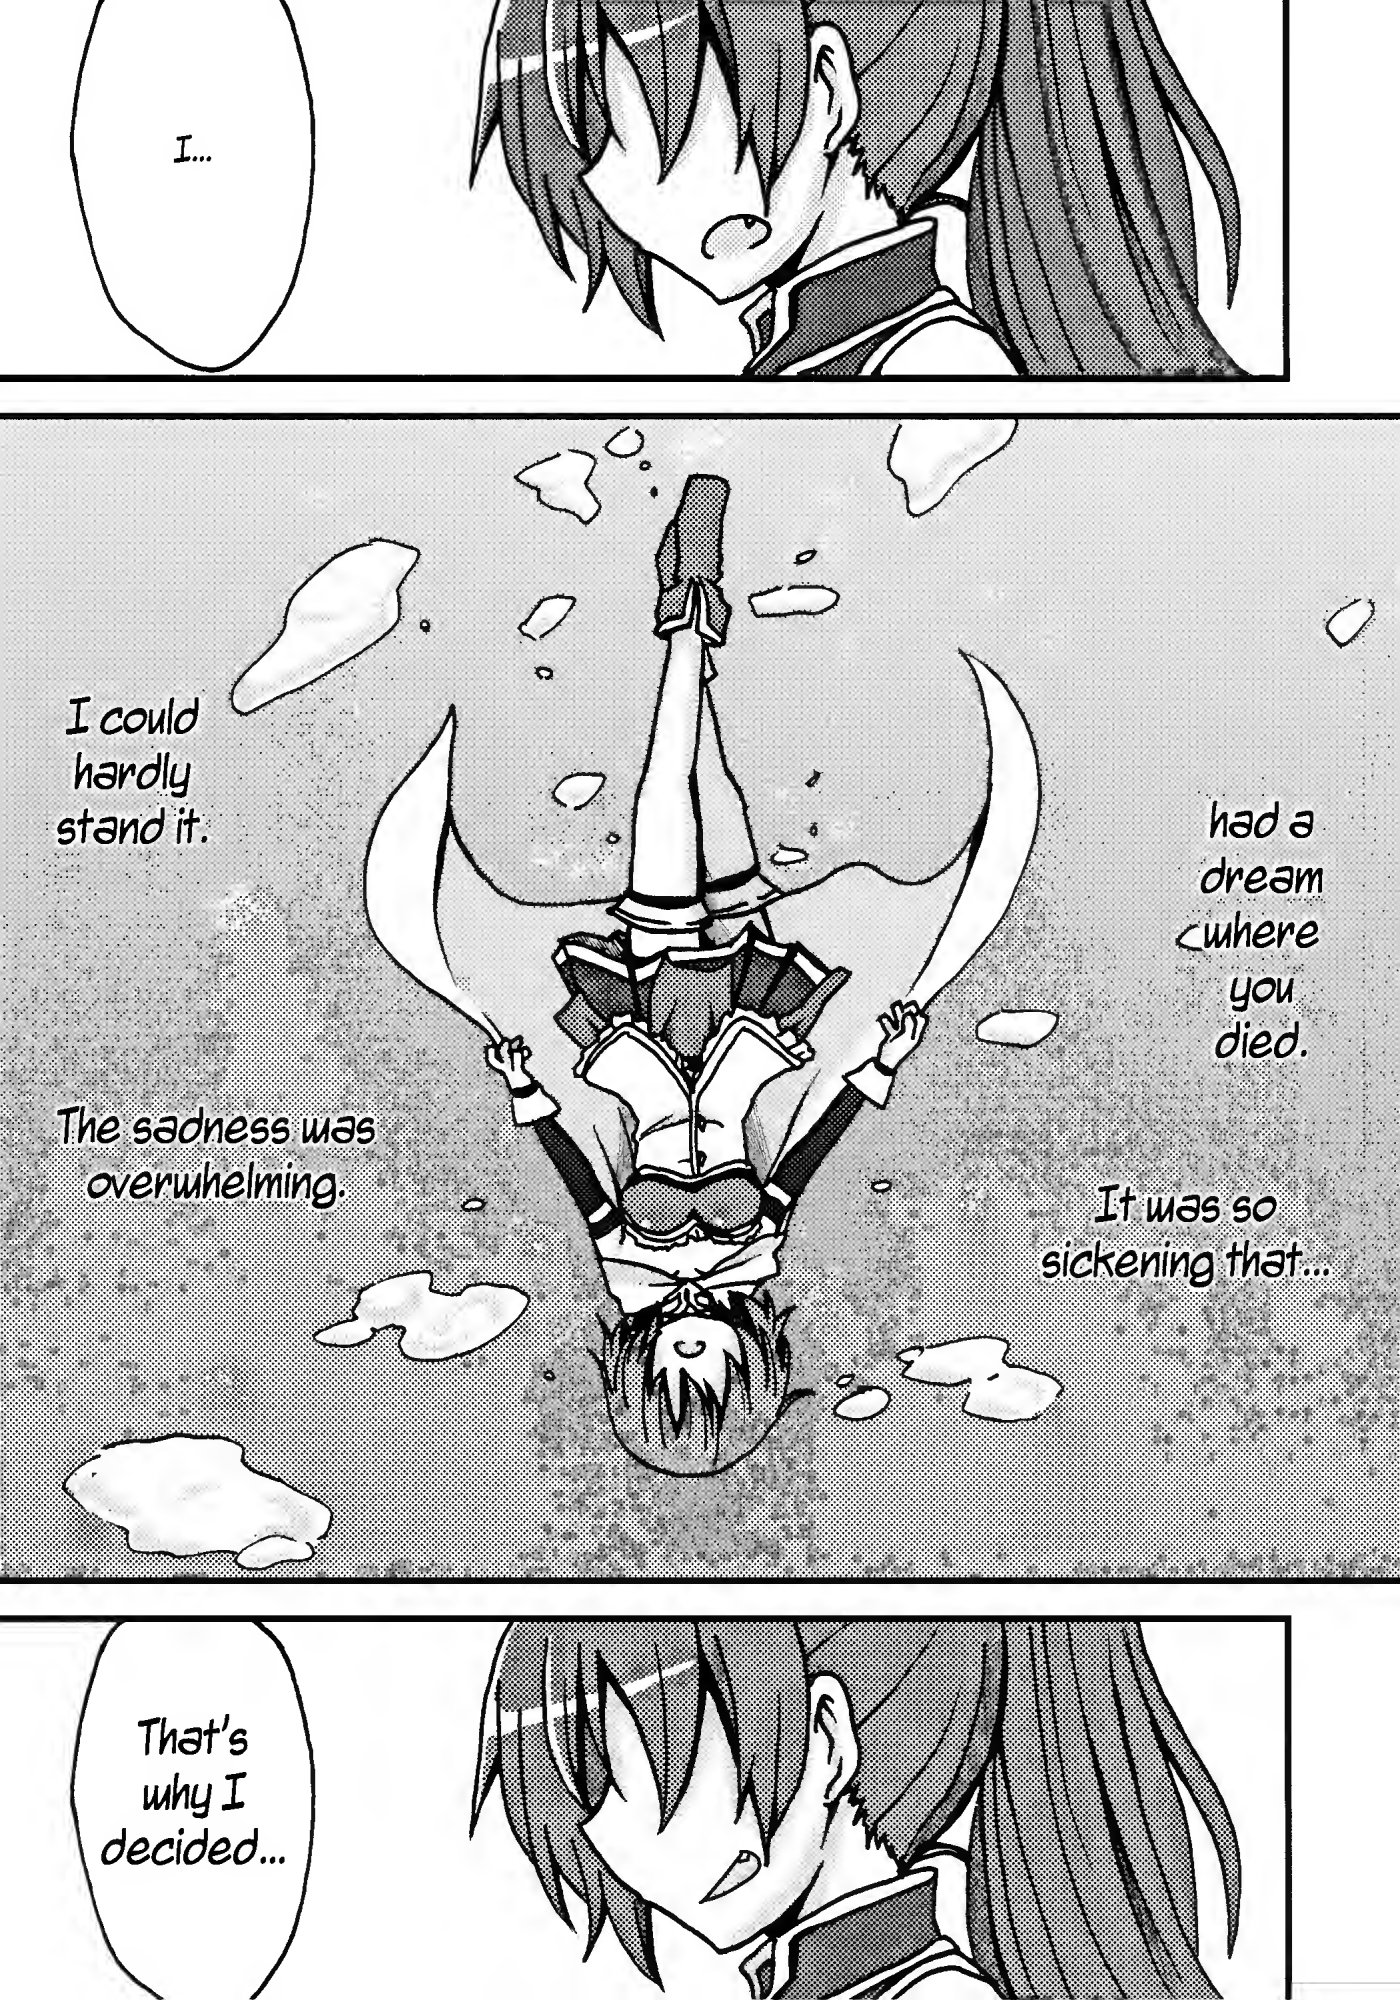
The Kyouko of this world...
She's just a classmate.
It would only cause problems for her.
No, um...
Ah...
...But if I tell tell Kyouko,
would that really be for the best?

I can't stop her
from taking away every-thing.
It's just like she said.

Sorry...
You didn't do anything...
What's the matter... Sayaka...
Ahaha... Sorry, sorry.

I'm so sorry...

Let's hurry up and finish off the wraiths so we can go early!
...Yeah, let's do it.
What's wrong?
Is it something to do with this morning...?
You've been acting strange today, Sayaka...
Ah, you know, I also had something strange happen to me.
Eh? What was it?



I...
I could hardly stand it.
had a dream where you died.
The sadness was overwhelming.
It was so sickening that...
That's why I decided...

I won't allow it.
I'll never let it become something real.
I want that dream to stay a dream.
Sayaka, I...
will protect you.
But if for some reason I fail, and die before you, know that you will never be alone.

After all, it's lonely being by yourself, right?

That's right...
She's always been this strong...
What's up?
Hmm, oh nothing.
But... thanks for everything, Kyouko.
Just as I thought, you're really weird today, Sayaka!
What was that!
